The **Qualifications and Vocational Education and Training Development Centre (KPMPC)** organized a study visit in Lithuania between **the 9–11 May 2017**, along with the 4th Partnership meeting with representatives from **the Directorate of Secondary Technical and Vocational Education of the Ministry of Education and Culture** of the Republic of Cyprus, and from **ENOROS Consulting Ltd**, who were invited to discuss with various stakeholders about the CVET systems in Cyprus and Lithuania as well as current undergoing reforms.

The partners have met with representatives from **the Ministry of Education and Science of Lithuania**, the **Employers Confederation**, **Sectoral practical training centre of Vilnius auto-mechanics and business school**, **Vilnius Jerusalem labour market training centre** !

They discussed issues related to apprenticeship systems, employ-

ers and businesses participation in the creation of programs and curricula, teachers' selection, methods of tracking graduates, policy reform challenges and planned changes in CVET systems in Lithuania and Cyprus etc.

The discussions were produc-

tive, while plans for future cooperation projects have been recorded.

Furthermore, the study trip continued in Klaipeda at the **Klaipeda Tourism School** where the partners had the

opportunity to meet with the administration of the school and the students about their current programmes and practices and visit the premises and classrooms as well as taste delicious meals prepared by the students showcasing their talent .

The Re-CVET project team finally visited **Klaipėdos Ernesto Galvanausko profesinio mokymo centras**, where they were presented with VET programmes provided in the Centre, adult education and quality standards.
